#ConnectionsThatMatter

Explore what's possible

Built to evolve around your needs with market-leading ease of use, the SMART Board® RX series is the only interactive display that offers user-programmable tools to help you support inclusive classrooms.

Blend physical and digital worlds

Turn static lessons into immersive learning experiences with SMART's Tool Explorer technology for a participative learning journey like no other.

Delivering true multi-user interactivity

Let your students write, erase, touch, and gesture at the same time without interfering with one another's tool choices for a truly collaborative experience—only with SMART.

Security meets convenience

Save teachers time with quick access to their own cloud storage, files, apps, and more. Easily sign-in with QR code, web link or NFC card.

SMART®

Android 13 made SMART

Easier workflows for educators, a feature-rich whiteboard, built-in tools and resources and student device integration—all designed to save you time and offer a personalized user experience.

iQ puts everything teachers need to confidently teach at their fingertips, regardless of their tech comfort level.

The “walk up and teach” whiteboard

Make the most out of every lesson without overwhelming prep:

Research-based educational **templates and activities** engage students in any subject

Import multi-page PDFs effortlessly

Whole-class device integration including polling, brainstorming and whiteboard contributions

Ad-free YouTube and image search

Use any device - effortlessly

Teach easily, without frustrating technology interruptions. Only SMART gives you:

- **Multi-touch for Windows (40 pts) and Mac (20 pts)**
- **SMART Ink** - Pick up a pen and write directly into PDFs and Microsoft Office files. Write across unlimited browsers and apps without freezing the screen - unique to SMART.

iQ at a glance

- EDLA certified by Google
- Install any app with Google Play
- Built on Android 13. Automatic OTA security updates & feature upgrades
- Secure multi-user support
- NFC and QR code sign-in options
- Personalized quick-launch home screen
- Share files to Google Drive, One Drive and other cloud services
- Secure files library with Lumio integration
- Split screen mode and picture-in-picture

Technology designed for the long haul

With the RX series’ automatic updates, your teaching and tech evolve – without the learning curve or purchasing stress of a new display. How do we do this?

- OTA Android updates and new versions of Android OS
- Regular OTA updates to keep your display safe and relevant
- Market-leading appliance based upgrade paths

SMART Quality

Our Accelerated Life Testing minimizes product failures, cutting e-waste and CO2 emissions from unnecessary replacements.

Warranty

Your display is protected from the get-go, with perks like advanced replacement, 2-way shipping, and on-site service for eligible users.*

Security and Privacy

Privacy is our default policy! Enjoy all the interactive features worry-free with our built-in security features.

Training

Empower educators with onboarding support and access to training and professional learning –so they can focus on what matters most.

Sustainability

We use minimal materials while packaging and optimize it to fit 30% more products in containers, slashing carbon emissions.

* Available in North America, UK & Ireland, Austria, Germany, Switzerland, Belgium, the Netherlands, Luxembourg, Australia & New Zealand
